tmel@acinow.net

- U.S. Air Force – Through a contract with Merrick Engineering, Allegiance provides GIS data mappers for two air force bases.
- Department of Veteran's Affairs – Provided Java developers and business analysts for development of the Health Administration Center's benefits tracking system for 100% disabled veterans.
- U.S. Department of Veteran's Affairs – Through AES provided engineers to assist in improvement and mold remediation of health care centers.
- U.S. Department of Defense - U.S. Army – Rocky Mountain Arsenal (RMA) Superfund Cleanup – Through a contract with Merrick, Allegiance provides engineers and IT professionals in a variety of functions to aid in this environmental remediation project. It is anticipated that the 17,000-acre site will be fully cleaned up by 2011.
- U.S. Army – Redstone Arsenal through a contract with Metters Industries, supplied IT and engineering support on the AMCOM EXPRESS contract in Huntsville, AL.
- U.S. National Science Foundation – Provided engineers, through Raytheon Technical Services, for projects in Denver pertaining to research in Antarctica.
- U.S. Department of Interior - Bureau of Reclamation – Provided PhD consultant/engineer to consult on the Folsom Dam in California for the Army Corp of Engineers. Allegiance has also been awarded two additional contracts with Reclamation for Animas LaPlata Construction Project and the Hungry Horse Dam.
- U.S. Department of Health and Human Services – Food and Drug Administration (HHS/FDA) – Provided temporary contract personnel
- U.S. Department of Energy – Western Area Power Association – As a Dell reseller, Allegiance supplied specific hardware configurations for WAPA.

ALLEGIANCE CONSULTING, INC.

- General Services Administration (GSA) Public Buildings Service (PBS) – Provided Help Desk professionals to support GSA end-users with desktop/laptop equipment, software and peripherals.

Best-in-Class Service

Allegiance Consulting has a proven, consistent track record of delivering high quality services for our federal and commercial client base. In a recent independent “Supplier Performance Review” survey conducted by Open Ratings/Dun & Bradstreet, our clients were surveyed at length and Allegiance Consulting scored 93 out of a possible 100 in every category. Detailed performance ratings were assessed for reliability, cost, order accuracy, timeliness, quality, business relations, personnel, customer support and responsiveness.
